RULES (Cont'd)Rule 9 - Rendering and Payment of Bills

The billing date is dependent on the billing cycle assigned to the Subscriber. Payments will be credited within 24 hours of receipt by the Company or its agent. The due date is the date the bill is mailed, as shown by the postmark on the billing envelope, or such later date as set forth on the Subscriber's bill. A Subscriber will have 15 days from the due date to timely pay the charges stated.
- D. However, if a Subscriber's service has been discontinued within the past 12 months or if a Subscriber incurs usage charges during a billing period which are equal to at least 200% of the amount of the Subscriber's deposit or guarantee, payment may be demanded for the usage charges by a telephone call to the Subscriber followed by written notification of such demand sent by first class mail. If the usage charges remain unpaid for five days from the rendition of written notification or a mutually established late payment arrangement date or 30 days from the date of the bill, the usage charge will be deemed delinquent.
- E. Charges deemed delinquent will be subject to a late payment charge accruing at the rate of 1 - 1/2% per month from the due date on all delinquent amounts.
